

2016 OPSB Charter Authorizing & Portfolio Priorities

- ▶ Priority 1: Portfolio options to support high school aged students
 - ▶ Targeted focus areas include overage/under-credited students and students exploring non-traditional pathways to college and career

- ▶ Priority 2: Programs addressing the needs and operational requirements of court-involved students in secure care

- ▶ Priority 3: Services for students with exceptionalities
 - ▶ Emphasis on students with severe cognitive and/or mental health needs

- ▶ Priority 4: Innovative school programs that do not replicate existing school models within the citywide portfolio, and enhance high-quality options available to families
