5 Year Limited Warranty

5-Year limited warranty on .HDPE panels, swing strap seats, tot seats, and nylon-covered cable net climbers and components.

3 Year Limited Warranty

3-Year limited warranty on spring bouncer C-type springs.

1 Year Limited Warranty

1-Year limited warranty on spring bouncer coil springs and all other Play & Park Structures products including moving parts.

Terms & Conditions

TO THE EXTENT PERMITTED BY LAW, THESE WARRANTIES ARE EXPRESSLY IN LIEU OF ANY OTHER IMPLIED OR EXPRESSED WARRANTIES OR REPRESENTATIONS BY ANY PERSON, INCLUDING AN IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS. Warranties do not cover damage caused by vandalism or abuse. Warranty claims must be filed within the applicable warranty period and accompanied by a copy of the original invoice or Play & Park Structures invoice number.

Play & Park Policies

Specifications: Specifications were current at the time of publication. Play & Park Structures has an ongoing policy of product improvement and therefore reserves the right to modify specifications or discontinue products without notice.

Terms of Sale: To governmental agencies and tax supported institutions, and those with approved credit, payment is due within 30 days from the date of invoice. A 1.5% per month finance charge will be imposed on all past due accounts. We also accept payment by VISA, MasterCard or American Express. All other orders will require a 50% deposit at the time of order entry. The balance will be due with a certified check upon receipt of shipment (C.O.D.).

Prices: Prices are F.O.B. factory and do not include freight charges. All prices listed were current at the time of publication and quoted in U.S. Funds. Due to the abnormally high cost of fuel and its impact on many of the materials used in our industry, quotations are valid for 30 days only and prices may be subject to material and fuel surcharges at the time of shipment. Prices are subject to change without notice. Current prices will apply at the time of shipment.

Freight charges: Freight charges are determined and collected by the carrier unless Play & Park Structures is requested and agrees to prepay and add these costs to the invoice.

Taxes: If applicable, taxes will be added to the invoice except when a tax-exempt certificate is provided with the purchase order at the time of order entry.

Minimum Order: Our minimum order is US \$50.00.

Order Cancellation: Once accepted, orders can be canceled only with the consent of Play & Park Structures, and on terms which will indemnify Play & Park Structures against loss. Canceled orders will be subject to a restocking fee. Equipment "built-to-order" is non-cancelable.

Domestic Shipments: Unless specifically given routing instructions on the purchase order, shipment will be made via the carrier we consider to be the most economical and practical in reaching the final destination. All domestic shipments are governed by ICC Regulations.

Delays In Transit: Play & Park Structures is not responsible for delays in transit and such delays shall not alter our invoicing terms. If your order does not reach you within a reasonable time after being advised that shipment went forward from our plant, Play & Park Structures will assist in the tracking process.

Loss or Damage In Transit: Play & Park Structures is not responsible for loss or damage in transit. When we release the material to the carrier, a bill of lading is signed which states that the shipment was received from us complete and in good condition. A copy of this bill of lading is forwarded to you with the shipment and should be checked carefully with the materials you received. Any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the carriers' representative. Failure to note acceptations on the delivery receipt may impair your right to recovery from the carrier.

Weights: All published weights are estimated and include appropriate packing materials. Actual weights may vary slightly.

Pricing valid on orders received prior to November 30, 2016; orders must be shipped within 30 days.

*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that Seller warrants to its original customer for as long as the original customer owns the Product and uses the Product for its intended purpose that the Product and all parts will be free from defects in material and manufacturing workmanship.

PARTNERSHIP STANDARDS & ORGANIZATIONS

CPSC

The Consumer Product Safety Commission is an independent agency within the United States Federal Government with the authority to inform the public of current product safety performance information and recommended practices. The CPSC first published their guidelines for public playgrounds in 1981 and have updated their publication several times since then. The current CPSC Handbook for Public Playground Safety, publication #325, is an excellent guide for owners and operators of public play environments.

Flo-Coat® Galvanized Steel Tubing

Galvanizing provides electrochemical protection to steel, in addition to forming a protective barrier. Allied's unique triple layer Flo-Coat galvanizing process goes even a step further by adding a conversion coating to passivate the zinc, and a clear polymer topcoat that reduces the general corrosion rate of the zinc. This synergy between the coatings allows the zinc to be more effective in protecting uncoated edges.

ISO 14001

We are proud to be ISO14001 certified for our manufacturing facility in Fort Payne, Alabama. Also referred to as the "Green Certification," ISO14001 is an internationally recognized standard for environmental management, measurement, evaluation and auditing. As an ISO14001 certified company, Play & Park controls the environmental impact of our activities, products, and services by implementing an Environmental Management System (EMS) that meets international standards, but is specific to the play products being produced.

ISO 9001

An industry certification process issued by the International Organization for Standardization. It is used to measure manufacturing standards and to certify company compliance with quality control systems covering design, development, production, installation, inspection and testing.

DOJ 2010 Standard for Accessible Design

Access Board (The United States Architectural and Transportation Barriers Compliance Board) has completed Accessibility Guidelines for Play Facilities as set forth in the Americans with Disabilities Act of 1990. The Final rules, fact sheets and analysis are all available at the Department of Justice.

ASTM International

is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM's F15.29 committee met regularly for over a decade in the continual development of the F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The original standard, F1487-93 was published in 1993 and subsequently

replaced by the current version ASTM F1487-11, published November 2011.

IPEMA

In the interest of public playground safety, the International Playground Equipment Manufacturer's Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, TUV America, Inc., validates an equipment manufacturer's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA 2614, Children's Playspaces and Equipment, except clauses 9.8, 10 & 11, or both. The use of corresponding logo in Play & Park Structures' catalog signifies that Play & Park Structures has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard. Check the IPEMA website, www.ipema.org, to confirm product validation.

IPEMA MEMBER
certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA 2614, Children's Playspaces and Equipment, except clauses 9.8, 10 & 11, or both.
